

# SIMPCARE- PROFESSIONAL SERVICES

*Co-Managed IT Solutions*

## A PROACTIVE PARTNERSHIP TO INCREASE PRODUCTIVITY

In the professional services industry, every detail counts. With JMARK, you can bid farewell to IT-related downtime and poor client experiences. Our proactive monitoring ensures that potential issues are detected and resolved before they impact your operations. Your team will have more time to focus on providing expert counsel, leading to higher job performance and a stronger reputation.

**SIMPCare** not only gives you the luxury of retaining your internal IT team but pairs it with the accountability and outcomes of JMARK's managed services. We believe in keeping what works for you while finding ways to make it even stronger.

## LET'S GROW TOGETHER

Why **SIMPCare**? In addition to working with your internal IT team, JMARK's deep bench of over 85 award-winning technicians will give you access to the advanced tools, purchasing power, and strategic expertise you need to increase workplace flexibility and create an environment that attracts top talent. Our dedicated team of engineers understands the nuances of the professional services industry and what it means to provide reliable technology and make sure every minute adds value.

Whether you're using your data to stay a step ahead, scaling your business to match your clientele, or wanting to enjoy your free time without worrying whether or not you'll have to do damage control when you return, our team will be with you every step of the way.

With **SIMPCare**, you'll gain access to:

- Proactive problem solving
- Security-first design to protect your financial privacy
- Long-term equipment plans and budgets to help scale your business
- Patching and maintenance that won't interrupt daily operations
- A dedicated Client Relationship Manager to help you maintain a consistent experience
- Guaranteed outcomes and service level agreements (SLAs)

With **SIMPCare** from JMARK, we believe in giving you every tool we can to help you succeed. Because when you win, we all do.

## The JMARK Difference

For over 35 years, JMARK has been providing innovative managed IT services to organizations of all sizes. With that experience, we've learned a few things. Most importantly: people come first. Always. Whether we're revamping your uptime or raising your technology's performance from good enough to great, JMARK is committed to giving people the peace of mind and time back to focus on the things that matter most.
